1. Admin Login:

The screenshot displays a web browser window with the following details:

- Tabs:** Self learning, harikakadiyala95/SportyShoes, Insert title here, Meet - xto-jbgt-fvr.
- Address Bar:** http://localhost:8080/admin
- Page Content:**
 - A circular logo with a red and white design.
 - The word "Login" centered below the logo.
 - An input field with a person icon and the placeholder text "Enter Your Email".
 - An input field with a lock icon and the placeholder text "Enter Your password".
 - A red "Login" button.
 - A dark gray "Change Password" button.

2. Admin Home Page:

The screenshot shows a web browser window with the URL `http://localhost:8080/adminLogin`. The page features a dark navigation bar at the top with four buttons: "Change admin password", "Get All the users", "Get All the Products", and "Get All the Purchase records". Below the navigation bar, the page is divided into four main sections, each with a title and a form:

- Search User:** A form with a text input labeled "Enter name of user" and a "Search" button.
- Add product:** A form with three text inputs labeled "product name", "category", and "cost", followed by an "Add Product" button.
- Delete Product:** A form with a text input labeled "Enter Product Id" and a "Delete" button.
- Update product:** A form with a text input labeled "Product Id" and an "Update" button.

3. Admin ChangePassword:

The screenshot displays a web browser window with the address bar showing `http://localhost:8080/change`. The browser's tab bar includes links for Apps, Gmail, YouTube, Maps, Global Connections, Learning on Simpli..., and Servlets. The main content area features a 'Change Password' form with a logo at the top. The form consists of three input fields: 'Enter Your Email Id' (with a person icon), 'Enter Your Old Password' (with a lock icon), and 'Enter Your new password' (with a lock icon). Below these fields are two buttons: an orange 'Change Password' button and a grey 'Login' button.
